1. This application is in condition for allowance except for the presence of claims 13-39 to an invention non-elected without traverse. Accordingly, claims 13-39 have been cancelled.

2. The following is an examiner's statement of reasons for allowance: none of the prior art of record teaches the method of making a thin layer electrochemical cell comprising providing a separator layer, an anode layer, a cathode layer and then impregnating the separator followed by passing all three layers through a lamination unit to laminate the anode and cathode layers onto the separator layer. None of the art teach impregnating the separator followed by the lamination step.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John S. Maples whose telephone number is 571-272-1287. The examiner can normally be reached on Monday-Thursday from 6:15-3:45.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Ryan can be reached on 571-272-1292. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
